Nothing follows

This weekly charts are provided to the user artists and consistent AI artists, following the documents about what is the weekly charts. Each track names are timestamps from YouTube video before it posted or released from Sonauto AI. The strategy is from the channels that the songs documented properly. Any of the songs that using voice code from famous artists/musicians are considered prohibited.

Chart Results

The chart results are results based on the music taste, balance and mood. It uses the algorithm which was the first or the last song based on timestamps. Timestamps from each songs you want in one video.

Read this document paper and let your friends to ask onto the charts. Ranking system is here, so you can check my compilation songs on my YouTube channel for the ranking performance. Final attachment is now end. Please read it properly. I will keep on my hard work to edit it very slightly. This document paper message is on the list.
